From arteries to asphalt—gather your colleagues, family and friends for a healthy dose of cardio as we come together for the SAL-VAGE Fun Run/Walk. The fun run has been organised as an initiative by a group of ANZSVS members (SAL-VAGE). SAL-VAGE aims to advance the prevention, diagnosis, and treatment of chronic limb-threatening ischemia (CLTI). All profits raised will go towards supporting the Vascular Foundation. Tickets can be purchased at the time of registration. If you wish to add a Fun Run ticket to your registration, please email [vascular@surgeons.org](mailto:vascular@surgeons.org).
